## ❖ SUMMARY

Enthusiastic AI & ML graduate aspiring to build a successful career in the technology field. I'm looking for a challenging role where I can gain hands-on experience, work on impactful AI applications, and expand my knowledge in emerging areas like computer vision, natural language processing, and robotics. Committed to continuous learning and professional development

---

## ❖ EXPERIENCE(INTERN)

Completed a 2-month Machine Learning internship at Infotact Solutions (Dec 2024 – Feb 2025), where I gained hands-on experience in Python-based machine learning, worked on data preprocessing, model training, and evaluation, and used libraries such as Pandas, NumPy, and Scikit-learn on real-world datasets.

---

## ❖ EDUCATION

- **Godavari Institute of Engineering and Technology** , Rajahmundry – B.Tech  
Pursuing in AIML course
- **Sri chaitanya Junior College** , visakhapatnam – Intermediate  
2021 – 2023  
949 Marks ( 94.9% )

---

## ❖ CERTIFICATIONS

- **ORACLE Certified** : AI Foundations Associate, ORACLE, October 2025.
- **ORACLE Certified** : Generative AI, ORACLE, October 2025.
- **IBM Certified** : Artificial Intelligence Fundamentals, IBM, January 2025.
- **CISCO Certified** : Introduction to Cybersecurity, CISCO, December 2024.
- **ISRO Certified** : AIML for Geodata Analysis , IIRS,ISRO, August 2024.

---

## ❖ SKILLS

- **Programming**: C language, Java, Python, SQL
- **Core Skills** : Artificial Intelligence, Machine Learning
- **Tools & OS** : MS Word, MS Excel, Power Point, Git, Google Collab, Windows
- **Web Skills** : HTML
- **Soft Skills** : Team Work, Time Management, Quick Learner, Hard Work, Self Confidence, Active Participation
